

Healthcare Toolkits Award 2006 Call for Entries

The Healthcare Toolkits Award celebrates excellence in healthcare toolkits. Healthcare organizations are using toolkits as educational tools to raise awareness on a given topic. Provider toolkits are resources that healthcare providers can use for clinical care guidelines as well as administrative functions. Consumer and employee toolkits educate consumers to make informed healthcare decisions.

WHEN:

The final deadline for receipt of entries is August 31, 2006

WHO:

Any organization who used a toolkit during 2005 to educate providers, consumers, employers, and/or employees to raise awareness on a given topic.

WHAT:

Any healthcare toolkit used between January 1, 2005 and December 31, 2005 is eligible (it doesn't matter when the work was originally produced).

HOW:

To prepare your entries, complete the entry form and submit it (or a copy) for each of your entries. For online toolkits, please provide the link to the URL. Each entry has to be submitted separately. Entries should be enclosed in an envelope.

JUDGING:

An independent panel of individuals familiar with healthcare and the Internet will evaluate each entry. Judging will take place during September and the winner will be notified in October.
